- August - Happy Hour w/. Again; great attendance with even more new people. Approximately 25 people; some outside and some inside enjoying conversation; good vibes and food.
- September- Happy Hour with about 13 people sitting outside enjoying beautiful weather around the pool. Another 4 watched the US Open tennis match inside. Another 6 had a good political discussion at the tables. As usual, good vibes - partied until after 10 o'clock. Pretty good for a bunch of seniors!
- Pancake Breakfast w/35 people signed up. I guess the following says it all: "Will you do it again?" We had fun flipping. You do have to manipulate where you do the cooking because you will trip a plug, but we figured that out. \$82 in actual expenses, but several donated their contribution. Coffee, juice and fruit were all donated.
- October - First Chiefs' Watch Party was a success. Scheduled the second one while we were watching. Lots of good treats. People came and went. Probably around 17 total for the late night game. Go Chiefs!
- Chiefs' Watch Party with 11 attendees. Good treats as usual. The Chiefs won a squeaker.
- Happy Hour with 6 attendees.
- Chili and Bingo with 25 attendees which was the max to have. Six people made chili. Everyone enjoyed sampling all the different ones. We also had toppings for chili and dessert. Bingo is always fun.
- November - Chiefs' Watch Party. Some attendees brought treats. Great game!
- December - We will provide pizza before the HOA Annual Meeting. Hope it will bring in more for this BIG meeting.
